# **Our know-how.**

## **An indispensable resource for you.**

As a globally leading surface solution provider, Oerlikon Balzers always thinks ahead. The results are not only highend coatings, advanced surface technologies and equipment for surface solutions. Oerlikon Balzers also has everything else that you may need covered with their comprehensive know-how, including various services and products and technical support for your equipment.

That means you benefit from the services and products which are important for the planning, installation and smooth operation of Oerlikon Balzers equipment. In order to provide you with assistance that meets your particular needs, Oerlikon Balzers has a global After Sales that is truly unique, both in terms of its size and its support skills. Teams based in Liechtenstein, USA, Japan and China are happy to assist you at any time with your concerns.

Incidentally, over 700 of our coating equipment are in operation worldwide, and that represents an enormous, steadily growing wealth of experience for Oerlikon Balzers. Why don't you also take advantage of the opportunities available through our After Sales Services and Products – regardless of whether you are already operating one of our equipment or are interested in making a purchase. Your prospects of becoming even more successful in the market as a result are promising in any case.

# Our After Sales Services and Products help you reach your goals.

More productivity, more efficiency, more success in a highly-competitive market: These are certainly the greatest challenges for your enterprise as well. That's why you should rely on the broad spectrum of After Sales Services and Products from Oerlikon Balzers.
