Nadcap Merit Status Awarded to Oerlikon Metco Coatings GmbH

Salzgitter, Germany — December 12, 2019 — Oerlikon Metco Coatings GmbH, has achieved Nadcap Merit Status for coatings. The achievement demonstrates their ongoing commitment to quality by satisfying customer requirements and industry specifications. Oerlikon Metco, Salzgitter which applies coatings on precision components across numerous industry applications, including aerospace, has been Nadcap accredited since October 2014.

“Nadcap accreditation is universally acknowledged as a significant undertaking. The Nadcap Coatings Task Group has determined Oerlikon Metco Coatings GmbH compliance to industry standards, best practices and customer requirements. Nadcap has long been incorporated by the aerospace industry into their risk mitigation activity. Congratulations are therefore due to as their hard work has resulted in achieving Nadcap accreditation with Merit Status for an extended 24-month accreditation term,” commented Michael J. Hayward, Executive Vice President and Chief Operating Officer at the Performance Review Institute.

Salzgitter’s Merit Status allows reaccreditation audits to occur at the maximum extended frequency of 24 months. “We are proud of this achievement! It’s a compliment to all the Salzgitter co-workers for their continuous dedication to produce quality output and reflects the high standards we bring to our customers,” states Jens Hinrichs, General Manager – Oerlikon Metco Coatings GmbH.
